

www.summitvitamin.com

Summit Vitamin's advanced therapeutic Joint Complex is a condition-specific formula that targets the three elements of healthy joints - Cartilage, Connective Tissue and Synovial fluid. Each tablet synergistically blends together the clinically proven joint nourishment of glucosamine, chondroitin, and methylsulfonylmethane (MSM) with other key co-factors for results you can feel.

Available in 90 & 180 count bottles

Suggested Use: As a dietary supplement, adults take two (2) tablets daily preferably with meals.
